

laser print papers & prices

*Duplex printing is twice the cost listed.

		8.5x11"	8.5x14"	11x17"
copy paper 20lb. standard copier paper. Fit for duplex and full-coverage printing, unlike the inkjets, laser printers use powder toner and don't oversaturate the paper, allowing for thinner paper to be used. Note that the laser printer cannot print full-bleed.	grayscale	7¢ / sheet*	7¢ / sheet*	10¢ / sheet*
	color	22¢ / sheet*	23¢ / sheet*	35¢ / sheet*
cardstock 65lb. bright white cardstock. Good for covers and other heavy applications.	grayscale	18¢ / sheet*		22¢ / sheet*
	color	28¢ / sheet*		40¢ / sheet*
waterslide decal special paper used to kiln-transfer images onto ceramics, etc.		\$12.00 / sheet
